

Farmland Owners

Do you have land available to lease or sell that could be used for farming? This could be as small as a quarter acre or much larger. There may be a farmer who could use that land to grow! Please fill out this form and we'll try to connect you with a farmer looking for land on Aquidneck Island, and provide guidance in the process. We can also refer you to experts from partner organizations and agencies who can help. We'll contact you shortly after receiving this form.
