
Aquidneck Land Trust

ANNUAL REPORT | FISCAL YEAR 2012

Linda Ujifusa
Board of Trustees, Chair

Dear Fellow Aquidneck Islanders:

It has been a privilege to serve as Chairperson of the Aquidneck Land Trust Board of Trustees for the past year. As you will see in this Annual Report, ALT has enjoyed much success. Since our last Annual Meeting, ALT has conserved an additional 33 acres and now successfully stewards a total of 2,419 acres of open space for the lasting benefit of our community. On a sadder note, in December 2012, ALT's Executive Director, Ted Clement, left to take a job in Hawaii. Ted was an amazing leader who helped conserve over 2,000 acres during his 12 year tenure with ALT. Although Ted has left, his legacy of protecting Aquidneck Island's open spaces will last for generations to come. On behalf of all of us, I give Ted heartfelt thanks and best wishes for his future endeavors.

Because of ALT's past success, some have asked me, "Is there much left for ALT to do?" The answer is a resounding, "Yes!" The ALT mapping project completed in 2012 determined that approximately 3,000 open space acres remain at risk of development within Aquidneck Island's main watersheds. In addition, there are parcels on Aquidneck Island that are generally assumed to be "protected," but which, in fact, remain at risk. The Glen, in Portsmouth, for example, is not currently protected by a strong perpetual conservation easement - as ALT proposes in its plan to, "Protect and Enhance the Glen." Moreover, as ALT's conserved properties continue to expand, so does the stewardship work ALT must do to protect such lands in perpetuity.

Is there much time left to conserve Aquidneck Island properties? No one has a crystal ball, but the real estate market appears to be "recovering" and development pressures could become insurmountable in a matter of years.

Happily, I can report that ALT is fully prepared to move forward under new leadership to continue to protect the drinking water, agriculture, recreation, scenic vistas and overall quality of life on Aquidneck Island. Attorney and long-time ALT volunteer, Charles ("Chuck") Allott, stepped in as Interim Executive Director on December 14, 2012, and has been working closely with our talented and experienced staff to make sure ALT's work proceeds uninterrupted as we conduct a national search for a permanent Executive Director. Chuck has specialized in real estate and municipal law in private practice, and has been an assistant town solicitor, a town councilperson, and a law school adjunct professor. Chuck began volunteering for ALT in 1990, and has served as an ALT Board member, Chair of ALT's Strategic Direction and Land Acquisition Committees, and a member of ALT's Stewardship, Merritt Neighborhood Fund, Legal Defense and Executive Committees. Chuck, not surprisingly, has hit the ground running.

In conclusion, I want to express my deep appreciation to the ALT Staff, Board of Trustees, Board of Advisors, land owners, donors, members, and all our public and private partners and supporters. It is because of you that ALT has been able to pursue so successfully its mission of, "preserving Aquidneck Island's open spaces and natural character for the lasting benefit of our community." It is because of you that ALT will continue to protect the Island we love.

Sincerely,

Linda Ujifusa

Dear Members and Supporters

First, I would like to thank the Aquidneck Land Trust (ALT) Board of Trustees for giving me the opportunity to serve as your Interim Executive Director. As most of you know, Ted Clement, our great former Executive Director, left ALT in mid-December, 2012. Since that time, I have had the honor and privilege of working with our very talented and committed staff and volunteers to carry on our important conservation mission while the Board conducts a nationwide search for a permanent Executive Director. I am thrilled to be able to pursue my passion for land conservation on the Island where I have been a resident for the last 36 years and as a leader of an organization with whom I have volunteered since its inception.

My long involvement with ALT has given me a deep appreciation for what it took to get us to where we are

today. We started as a group of volunteers with nothing but a dream of conserving Aquidneck Island's open spaces. Success was not yet defined in terms of annual acreage preserved but in terms of creating a solid organization and setting reasonable goals. We focused on collecting and mapping data of Island properties to create a rational approach to future land conservation efforts. A bit later, others found the way, with the assistance of generous donors, to fund a land trust staff and elevate the Board of Trustees from a working board to a governing board. Incredibly, extraordinarily generous and visionary land owners, many of whom sacrificed significant financial gain, then partnered with ALT to conserve their land. Add to these supporters, countless others who work or donate in large and small ways and the lesson is clear: ALT's successes are community successes resulting from community efforts.

Beyond its larger land conservation projects, ALT has also undertaken smaller, but nonetheless, significant community partnerships. ALT started its Young Friends Program and partnered with local schools (Pennfield and the MET School) and community youth organizations such as the Boy Scouts to encourage future generations of land conservationists to learn about and take actions to protect our Island's environment. ALT also is working with a number of other Island non-profits to create the Scenic Aquidneck Coalition. One of the Coalition's initial proposed projects is to work with the Town of Middletown, utility companies to place all utilities underground along Sachuest Point Road from Surfer's End to the Wildlife Refuge. In the past 14 years, the Merritt Neighborhood Fund has given \$64,000 of grants to over 45 community organizations on Aquidneck Island to support their preservation of small parks, playgrounds, and other natural spaces. ALT also continues to work with a coalition of organizations to develop the "Island Commons", a sustainability center at St. Mary's. Thus, while ALT's main focus has been conserving acres, it has also actively worked to educate and engage our community.

I look forward to helping ALT continue its record of success. I realize I stand on the shoulders of those who have made ALT what it is today. I sincerely thank them and promise I will do my utmost to continue to earn community support and ensure Aquidneck Island remains the place in which we have all been so fortunate to live.

Thank you.

Charles B. Allott, Interim Executive Director

OCTOBER 2011

- Attended the national Land Trust Alliance Rally in Wisconsin.

NOVEMBER 2011

- Hosted ALT’s 5th annual Race for Open Space on the Sakonnet Greenway Trail.
- Acquired a perpetual Conservation Easement from Philip S. Dey on his land in Middletown, a critical 18.83-acre watershed property.
- Acquired a perpetual Conservation Easement from C. William Welch on his 14.25-acre property in Middletown, which is strategically located next to other conserved properties within ALT’s Sakonnet Greenway.

JANUARY 2012

- Signed a Conservation Collaboration Agreement with the Paul W. Crowley East Bay Campus of the Met School (“East Bay Met”), under which the entire school became members of ALT
- Together with the Bilden family, successfully removed the last remaining above-ground overhead utility poles and lines along Ocean Drive in Newport as part of the Newport Conservation Initiative.
- Launched our newly redesigned website.

FEBRUARY 2012

- Acquired a perpetual Conservation Easement from the City of Newport on the Coggeshall School property.
- Conducted ALT’s 21st Annual Meeting to a sold-out crowd at the Atlantic Beach Club in Middletown.
- Submitted a proposal to conserve and enhance the Glen to the Town’s Elmhurst Planning Committee.

APRIL 2012

- In collaboration with newportFILM, as part of ALT’s Conservation Speaker Series, presented a screening of “Last Call at the Oasis”, a documentary that establishes the urgency of the global water crisis as the central issue facing our world this century.

LANDOWNER PARTNERS | 2012

Founded in 1990, the Land Trust's first conservation easement was placed on the historic Slocum estate on Bellevue Avenue. Since that time the Land Trust has conserved over 2,000 acres with many landowners. We gratefully thank these very special individuals, families, businesses, neighborhood associations, municipalities, and other government agencies who have partnered with us to preserve and steward their land in perpetuity. Their vision for the future, and appreciation of the past, leave a legacy for all to enjoy.

PHILANTHROPIC SUPPORT | FISCAL YEAR 2012

The Board of Trustees is deeply grateful to the hundreds of individuals, families, businesses, organizations, foundations, government entities, and landowners who generously support our work each year. The Aquidneck Land Trust strives to offer creative, flexible, respectful and convenient methods to enlist lasting philanthropic support. Membership dues, targeted appeals and campaigns, specials events, planned gifts and bequests, in-kind goods and services, and donations of land and conservation easements all enable those who treasure Aquidneck Island to participate in the work of ALT. Our heartfelt thanks to all those who contributed to the Aquidneck Land Trust during this fiscal year, which concluded on **September 30, 2012**.

If your name is listed incorrectly or has been omitted, please notify the Land Trust's Development Office and accept our sincere apologies.

These annotated lists reflect the composition of the Board of Trustees and Board of Advisors and their place of local residence as of December 31, 2012. The Board of Trustees thanks retiring Board Members for their outstanding dedication and support.

OUR MISSION

“Preserving the Island’s open spaces and natural character for the lasting benefit of our community.”

OUR VALUES

The Aquidneck Land Trust believes that we must take a holistic approach to land conservation if we are to help our island community achieve a sustainable future. Therefore, ALT works to protect a number of natural resource types that we depend upon as a species (wildlife habitat, agricultural land, water resource areas, outdoor recreational space, scenic vistas, etc.). In this work, ALT is guided by its values: Integrity; Environmental Consciousness; Embracing Community as a Partner; Respect and Stewardship of the Land; and Volunteerism. ALT was founded as a 501 (c)(3) not-for-profit organization in 1990.

The Aquidneck Land Trust preserves the Island’s open spaces and natural character for the lasting benefit of our community.
